YEAR IN REVIEW

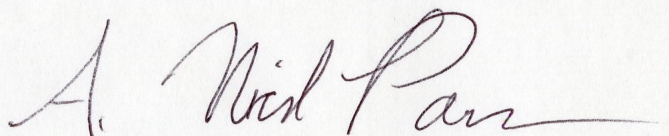

When we think back about 2023, we reflect on the many lives we impacted over the past year and all the exciting plans on the horizon. For Godfrey Miller Center, 2023 was a year of expansion and adapting to what the new “normal” post-pandemic looked like. And while there were many challenges (and learning along the way), there were also many things of which to be proud.

2023 marked the first full year of our Program Coordinator, Anna Lehman, hiring a permanent cook, and expanding lunches and many programs. These are only a few of the highlights you'll see throughout these pages.

And, we could not do any of this without your generous support. Thank You!

Jason Gottschalk, Executive Director

A. Nicholas Powers, President, Godfrey Miller Center Board of Directors

IMPACT

In partnership with caring supporters like you,

Programming Increased

New and expanded programming such as daily exercise classes, technology help sessions, soup and cookie mix workshops, and movie matinees were added to returning programs like computer class and Mahjong. To say that our Program Coordinator, Anna Lehman, brought a breath of excitement and love to her role is an understatement.

Lunch Program Expanded

This program served over 1400 lunches in 2023. We expect to almost double this number in 2024. More than half of the meals were served to individuals with limited financial means, and who may not otherwise have been able to afford them. These individuals received meals at a subsidized rate.

Volunteers Helped Make Activities Possible

Numerous volunteers helped to make programs, lunches, and daily activities possible in 2023. Sonna Russell taught extremely popular exercise classes, Lorraine Candell led classes on card making, paper crafts, and more, and other volunteers like Jill LeTourneau, Charlene Toloso, and T Shafferman taught everything from Microsoft Windows to candy making and flower arranging.

PROGRAM

We are working to become the premier senior service organization in Winchester. To that end, our top priorities are

Creating an Inclusive and Joyful Community

welcoming all, including underserved seniors, community partners, and active adults of Grace; Creating greater accessibility to programming, meals, and services

Telling Our Story

facilitating active and reciprocal communication with Grace Evangelical Lutheran Church; expanding ministry reach to entire Winchester community; becoming a vital community informational resource

Building a Strong Foundation

a commitment to financial prudence and self-sufficiency, self reliance for physical plant, and robust board governance and oversight.

LOOKING AHEAD

We are looking forward with excitement to 2024, expanding our ministry to more older adults in the community, in particular our neighbors at Winchester House and the active adult ministry at Grace; and augmenting our offerings to be more inclusive and wide-ranging in impact.

Our ultimate success as an organization is due to your prayers and encouragement. We are grateful and thankful for your support. We are proud of what we have accomplished in such a short time and are confident of a bright and successful future together.

We thank you for your continued support in our efforts to serve older adults in the Winchester area.
